***BROWSING THROUGH BIRKE'S***

Hi,

Thank you for your interest in the documentary film about my parents and their extraordinary lives and store.

The DVD you have purchased has a menu with two choices: Entire Film and DVD Extras.

Don't miss the extras, which include:

- **Birke's Paperwork** -my parents' immigration documents, newspaper articles, and miscellaneous
- **Old Photos** -my mom and dad, the store, signs...
- **Kevin Harkins' Photos** -A "don't miss" of dozens of amazing shots of the store from top floors that most never got to see, to racks of Harris Tweeds, parkas, and clothes you haven't seen in decades--to close-ups of my mom, mannequin parts and the elevator shaft.
- **Intro to Film** -11 minute introduction I gave when I showed the film at the Lowell Visitors Center
- **Reactions to Film**- interviews from former customers and attendees just leaving the film
- **Credits**

I would love to hear from you after you've seen the film. Please leave a comment on the **website -[www.BrowsingThroughBirkes.com](http://www.BrowsingThroughBirkes.com)**- or email or call me directly.

Thanks again. Hope you enjoy the film.
